Dear Tenant(s),

Re: Consultation on minor changes to your tenancy agreement

We would like to inform you of proposed minor changes that will vary the terms of your tenancy by adding and/or amending several clauses of the agreement. A full list of proposed changes can be found at the consultation website below. If you would like to see a hard copy of the changes, please get in touch using the contact details in this letter.

The variation means you would be bound by the new tenancy agreement when it comes into effect.

You have the option to comment on the Council's proposed changes, and the Council will consider your comments. Please send any comments by 26 September 2025. To view the list of proposed changes and provide comments, visit the consultation site or scan the QR code.
