We're joining forces with New Park Village Tenant Management Co-operative to tackle anti-social behaviour in your area.

If you have seen or heard anything that you feel is a nuisance, threatening or possibly illegal, we would like to hear from you. We can only deal with behaviours **you** tell us about, like:

- suspected criminal activity

- gang-related crime or violence
- domestic violence
- loud music and excessive noise
- vandalism
- nuisance pets
- fly-tipping

We can only deal with anti-social behaviour that we know about.

That's why it's so important that people are willing to talk to us. Be assured, we will treat your report in the strictest confidence and we will work with you to try to resolve the issue.
